

Minato Motomachi

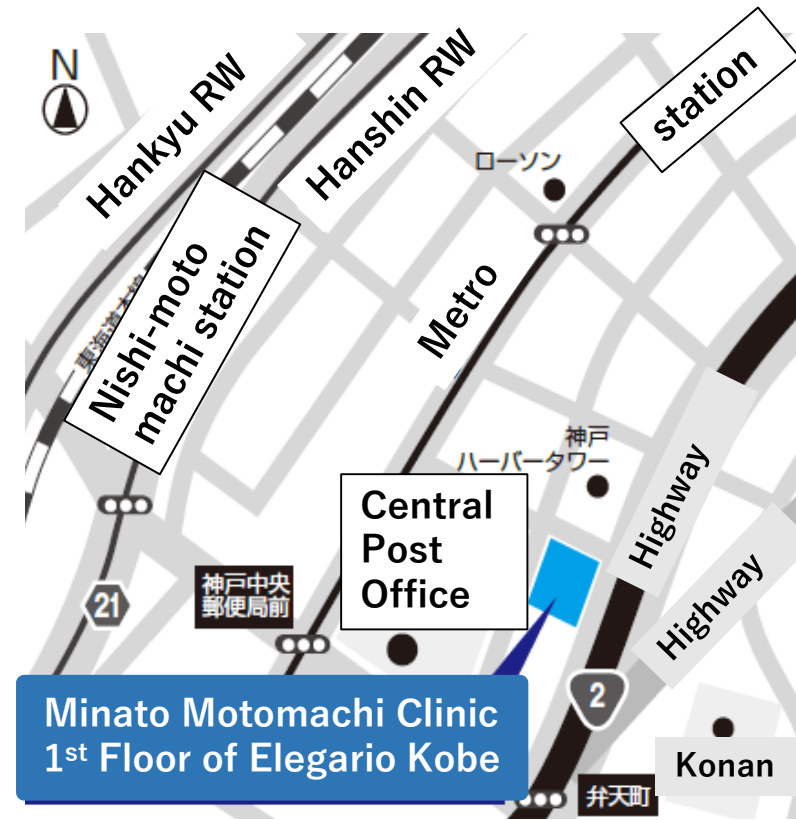

Clinic of Internal medicine

Cutting-edge medical therapy

We aim to provide a medication-free life to outpatients of our clinic through “**curing ME-BYO**”

Instead of clearly defined conditions of being either healthy or sick, “ME-BYO” are physical and mental conditions that continuously changing between the states of healthy and sick. Our medical staff are skillful and knowledgeable at therapy of “ME-BYO” patients besides “sick” patients.

We are also pursuing cutting-edge medical treatment and technology of western medicine, traditional Chinese medicine, aromatherapy, and other combination therapy of alternative medicine.

5 minutes walk from the west gate of Nishi-motomachi (西元町) Station
